Finished on Dilla Day 25

YEAH. IT'S AROUND THIS POINT
WHERE I THINK IT'S IMPOSSIBLE TO
IGNORE THEM.

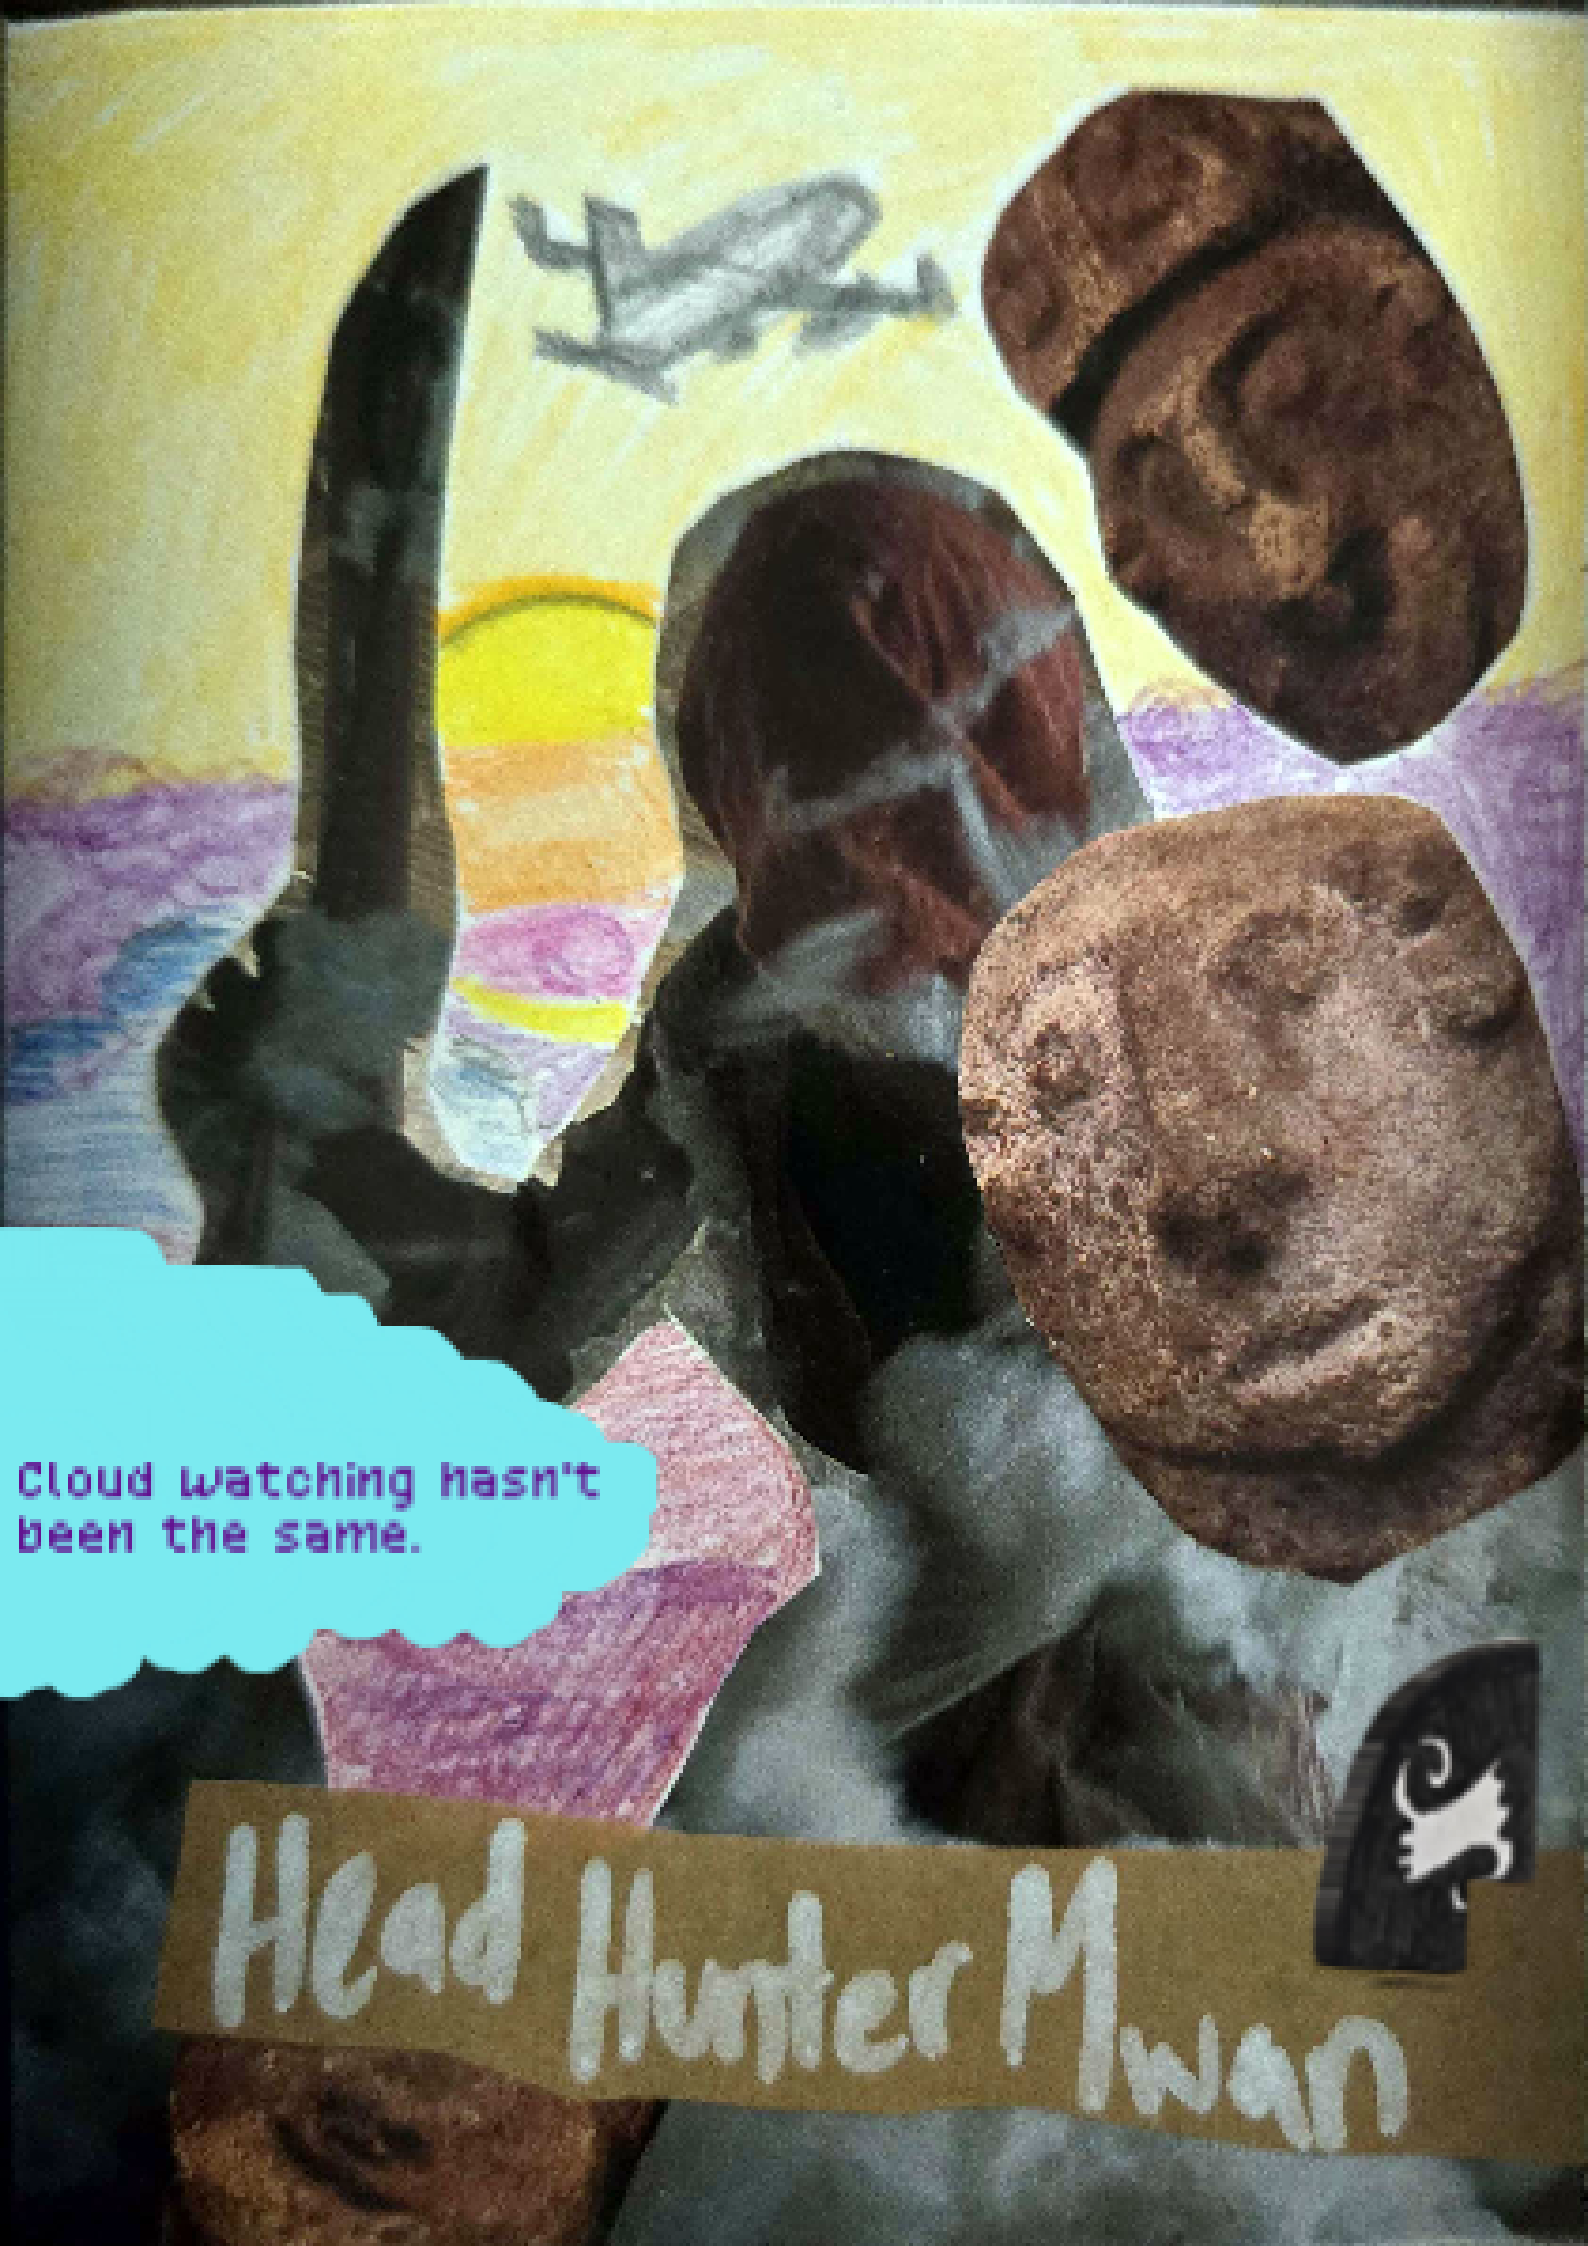

THIS ONE MAKES IT VERY CLEAR
THEY CAN INTERACT WITH THE
PHYSICAL.

And it ALSO likes ears.

Gurren & Rib

Cloud watching hasn't
been the same.

Head Hunter Mwan

And it's clear that some
like to put on shows.

Though I don't advise
watching them all to the end.

Matron o' the Lamp

A COUPLE OF TIMES I'VE
CLOSED MY EYES

AND EVEN THE WISPIES TAKE SHAPE

Bro, I gotta
get up in the
morning.

WTF is this
wacky shit.

TARDI

WHOSE GOOFY
ASS MANS ARE
THESE?!?

Some Lost Homies

It's clear they're overlapping and
demanding my attention.

I'M NOT EVEN SURE THIS IS
SOME KIND OF JOKE FROM
GOD'S ODD SENSE OF HUMOR...

Or this might just be my job now.

Since everybody in LA got a side hustle.

Whatever.

Flight as well have
fun with it.
